At Hollinger Diagnostics, we specialize in the quality servicing and thorough maintenance of a wide range of medical and laboratory diagnostics equipment.

With 30 years of experience, we have the knowledge and capability to ensure the long-term performance and reliability of your equipment. From

our cutting edge tools to our specially trained clinical laboratory specialists, at Hollinger Diagnostics, we take meeting your needs seriously.

As the president of sales and service for Hollinger Diagnostics, you have my assurance that we will provide you and your facility with the individual attention and support you demand and deserve.

Donald F. Byrd

President, Hollinger Diagnostics, Inc.

TESTIMONIALS

Hollinger Diagnostics is uniquely capable of and committed to understanding and fulfilling your needs. Don't just take our word for it, get a second opinion.

Here's what our customers are saying:

“They go above and beyond what is asked of them. When Don and Jim are working on our equipment, we can rest assured that it is done right. They are the best!”

-- *Becky McDowell, Fort Wayne Medical Oncology & Hematology*

“Hollinger Diagnostics is the one service in all the 15 years that I have been at this practice that I can truly say I trust them, they are very dependable.”

-- *Paula Inches, Northwest Oncology and Hematology*

“Hollinger Diagnostics provides friendly, reliable service at a reasonable cost. Service engineers are very knowledgeable, thorough and professional ... A satisfied customer for 14 years.”

-- *Louis Gehlhausen, Capital Medical Group*

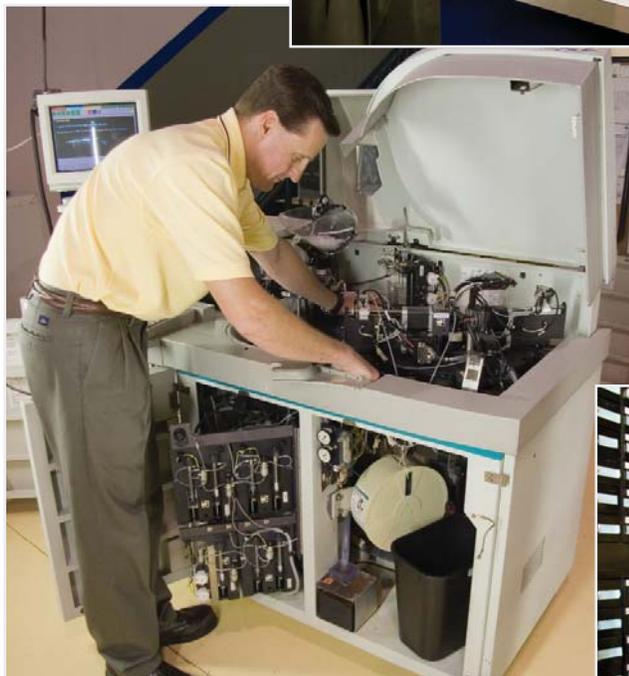

SERVICE AND SUPPORT

We provide expert service and support for Hospital Laboratories, Reference Laboratories, Physicians (Office Labs) and Oncology Center Diagnostics Equipment.

Because we have access to discontinued equipment parts, unlike the service department of some equipment manufacturers, we can offer you the option of repairing your equipment, before you have to consider replacing it.

Our services include:

- Scheduled Preventative Maintenance
- Customized Service Contracts
- Instrument Evaluations
- Instrument Service (Emergency & Routine)
- Equipment Moves
- Reinstallations
- Phone Tech Support
- Equipment Decontamination

Member of Elite Support Service Group - A Networked Solutions Provider

Elite Support is a trusted network service support group providing extended support services across the country. An excellent source of information and technical service assistance, we partner with Elite to offer exceptional expertise in the field of medical and industrial laboratory instrumentation.
